

DIGITAL COIL COVERS

IN NEUTRAL COLORS

INSTRUCTIONS

Browse the cover options by swiping, or with the hyperlinked images below. When you find one you'd like to use, simply copy the page and then navigate to the document where you would like to place the new cover. Paste the new cover before the first page.

If you are replacing an existing cover, be sure to move the old cover to the end of your book. Remember to never delete a page unless you have duplicated and saved it first.

Watch a quick tutorial:
